The first member doesn't have to be the person who pays for Membership. However, to qualify for Gift Aid, the member who pays must also pay income tax or capital gains tax to at least equal the amount that the NCT will claim in the tax year. Choosing to use Gift Aid with your membership increases its value to the NCT by 25% without any additional cost to you.

I want the NCT to treat all donations I've made over the past six years and all future donations to be treated as Gift Aid until I notify you otherwise

Paying by Direct Debit helps us to plan ahead and saves you £3 as a result of reduced administration costs.
